## 50 WORDS FOR NOSTALGIA

Daniel Miller

the stained glass lamp shade / the shag carpet sleepover / the soft flicker of street fighter / the scrape of trucks on concrete / the taste of banana schnapps / the taste of sweat / the taste of blood / the taste of flesh / the scraped knees / the stolen bikes / the parts of us that died

---

HAD

@havehadhavehad

keep thinking about how this works as a kinda fun prompt (itself borne out of an "eskimo have 50 words for snow, feel like Americans should have 50 words for nostalgia" tweet "prompt" from me (Aaron))

write your own "50 words for nostalgia" and we'll RT them?

let me fuck this up somehow [x.com/havehadhavehad...](https://x.com/havehadhavehad...)

mom breaking my tooth with the remote // cross-country midnight move #1 // Eddie, coked-up, chasing us up the stairs // move #2 // dad shoving me down the hallway // fat fucker cop laughed // move #3 // bullshit on repeat

see, I keep trying, but I can't forget.
